We beg to submit below our tender for Shelcreting the Cottonpet Road

To Shelcreting 2" premix asphaltic concrete as per specification given by you Rs 36-8-0 per

Note -

1 Asphalt will be supplied by you at site of works and recovery made from our bills at the rate or Rs 280/- per ton

2 Work will be commenced on the 26th instant provided order is received by the 16th instant

3 The necessary coupons for full requirements or petrol for transporting by lorries like metal, sand etc , required for the work will have to be provided by you

4 The road will be asphalted to the full width in one operation only and so, traffic will have to be diverted during the execution of work

5 Before carpetting, all pot holes and undulations will be filled up with metal precoated with asphalt at 3 lbs per Cft of metal and rolled, for which an extra rate of 0-3-9 per Sft will be paid

6 We understand that a deep trench had been cut and filled up on one side of the road for pipe laying This portion is liable for settlement and we suggest that it should be well consolidated before commencement of the work

p t o

We may mention here. that we are doing similar work for the Mysore P W D and we can assure you of good work and prompt execution We hope our quotation will be acceptable to you and assuring you of our best services
